Manufacturer: Arxada

The product(s) shown on this report have been independently verified as eligible products for use in achieving points toward project certification under ICC-700 National Green Building Standard. Home Innovation Research Labs authorizes accredited verifiers to award points toward certification without additional documentation when the product(s) is used as noted below.

2015 NATIONAL GREEN BUILDING STANDARD				
Practice #	PRACTICE DESCRIPTION	Potential Points Available	Additional Conditions of Use to Award Points	
2015 NGBS 602.1.6	Termite-resistant materials are used in portions of the building.	2-6	To earn 2 points, product is used in conjunction with other termite-resistant materials for the first 2 ft of all the foundation, floor, and structural wall, wall cladding, and exterior deck components in zones with slight to moderate termite infestation. Four points are awarded when used in conjunction with other termite-resistant materials for the first 3 ft in moderate to heavy termite zones, and 6 points are awarded for use with other termite- resistant materials for all of the foundation, floor, and structural wall, wall cladding, and exterior deck components in areas of very heavy termites.	

2020 NATIONAL GREEN BUILDING STANDARD				
Practice #	PRACTICE DESCRIPTION	Potential Points Available	Additional Conditions of Use to Award Points	
2020 NGBS 602.1.6	Termite-resistant materials are used in portions of the building.	2-6	To earn 2 points, product is used in conjunction with other termite-resistant materials for the first 2 ft of all the foundation, floor, and structural wall, wall cladding, and exterior deck components in zones with slight to moderate termite infestation. Four points are awarded when used in conjunction with other termite-resistant materials for the first 3 ft in moderate to heavy termite zones, and 6 points are awarded for use with other termite- resistant materials for all of the foundation, floor, and structural wall, wall cladding, and exterior deck components in areas of very heavy termites.
