Pre-advice customs clearance

Import CH:
The enclosed template „Notice of clearance“ must be used for the notification of Gerlach AG.

Import DE/EU:
A shipping/transport-order, the invoice(s) and maybe a certificate of origin/ preferential certificate must be included to the pre-advice.

Place of customs clearance

Customs clearance at the border must be carried out through Gerlach at one of the named offices (see attached list).
For authorised consignee procedure (ZE), please contact the customs office of Gerlach AG in Pratteln.

Arxada AG expects that this processing instruction is respected and asks to keep all necessary persons in your process informed.
Additional costs such as transfer -, and/or notification charges are not accepted.
